

RESOLUTION NO. 2019-DB-1

**A RESOLUTION OF THE MADISON COUNTY DRAINAGE BOARD GRANTING
PERMISSION TO THE MADISON COUNTY ENGINEER FOR ACCESS TO
REGULATED DRAINS AND RELATED EASEMENTS**

WHEREAS, the County Engineer is responsible for the efficient planning, design, review, and inspection of all public infrastructure throughout unincorporated Madison County (including, but not limited to, roads, bridges, and storm sewer systems); reviewing subdivisions and site development plans for compliance with current standards; enforcement of permits for construction within the right-of-way; and

WHEREAS, the County Engineer is a consultant to the Drainage Board and cooperates and communicates with various county and state departments, including the County Highway Department, the Indiana Department of Transportation (INDOT), the Federal Highway Administration (FHWA), and various contractors, consultants and vendors; and

WHEREAS, from time to time, in order to carry out his official duties, the County Engineer must access regulated drains and related easements; and

NOW THEREFORE, BE IT RESOLVED by the Madison County Drainage Board as follows:

1. In so far as is necessary for the County Engineer (and any of his official designees) to access a regulated drain and/or related easement under the jurisdiction of the Madison County Drainage Board in order for the County Engineer to carry out his official duties related to public infrastructure of the County, the Board hereby grants permission for the County Engineer (or his designee) to work in a regulated drain and/or related easement on an ongoing basis.

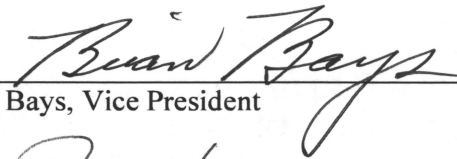

2. The Drainage Board shall continue to regulate uses within regulated drains, including any arms of those drains which have been, or shall subsequently be, approved pursuant to Indiana Code 36-9-27 *et seq.*

3. This Resolution shall be in full force and effect upon passage.

DATE: September 11, 2019.
